Dear Mr. McGahn:

We write this letter in support of David Porter's nomination to be a judge on the United States Court of Appeals for the Third Circuit.

The International Union of Elevator Constructors Local 6 was formed in 1901 in Pittsburgh. Its jurisdiction includes twenty-six western Pennsylvania counties (all counties west of State College), Jefferson and Belmont Counties in Ohio, and the panhandle counties of West Virginia.

Some of our members know Mr. Porter personally, and we are aware of his experience and reputation in the community. We are confident that he will judge cases fairly and neutrally, according to the law. He is a good man and we support his nomination to become a federal judge.

Sincerely,

[signatures]
