

WHEREAS, the San Francisco Republican Party (“SFGOP”) commends the life and contributions of *Mexican-American pioneer, businesswoman, landowner and healer, Doña Juana Briones de Miranda*;

WHEREAS, the San Francisco Briones Society (“Briones Society”) in its home page opening statement implies that the Republican Party in San Francisco does not currently matter;

WHEREAS, the Briones Society in its January 6, 2022 resolution incorrectly refers to our system of government as a “constitutional democracy”, instead of a “republic”;

WHEREAS, the Briones Society on its home page invites voters registered as Democrats or No Party Preference to join it in order to affect the principles and direction of the SFGOP in a leftward direction;

WHEREAS, the Briones Society on its home page implies that if we are committed to diversity and inclusion there is currently only one political party welcoming to us – the Democratic party, apparently;

WHEREAS a drift towards Democratic values is harmful to the SFGOP, which should stake out and articulate opposition to Democratic Party values rather than emulate and promote them;

WHEREAS, the Briones Society adopted a resolution on January 6, 2022 alleging that believing the Presidential Election of 2020 was fraudulent is equivalent to opposing the peaceful transition of power;

WHEREAS, the Briones Society adopted a resolution on January 6, 2022 condemning the leader of the Republican Party, President Trump, for lying, and for “instigating an attack on the Capitol”;

WHEREAS, the Briones Society adopted a resolution on January 6, 2022 describing the demonstration at the US Capitol on January 6, 2021, as “criminal acts of rioters” while failing to acknowledge that these protestors were almost all nonviolent, many were invited into the Capitol by uniformed personnel; many of whom are being held without trial for over a year despite their rights to a speedy trial, many of whom are held in solitary confinement, and none of whom have been convicted of sedition, insurrection, or treason, despite the continued rhetoric of Democrats and the mainstream media;

WHEREAS, the Briones Society adopted a resolution on January 6, 2022 insulting the demonstrators of January 6, 2021 without mentioning the prolonged, arson plagued, murderous, business and neighborhood destroying attacks on bystanders, fellow citizens, business owners, employees, police officers, and federal buildings, by such groups as BLM, Antifa, and Occupy Wall Street. Those groups’ actions are exponentially more destructive than the protestors of January 6, 2021. Therefore the Briones Society promotes the Democratic Party lie that the January 6, 2021

demonstration somehow is of more consequence or harm than the years of condoned rioting by BLM, Antifa, Occupy Wall Street, and their supporters and defenders;

WHEREAS, the Briones Society adopted a resolution on November 29, 2021 declaring the experimental COVID “vaccines” and boosters as “safe,” without acknowledgment of contrary medical opinion or evidence;

WHEREAS, the Briones Society adopted a resolution on November 29, 2021 urging all San Franciscans to be “vaccinated,” without acknowledgement of any serious or deadly side effects and without acknowledgement of the apparent ineffectiveness of the “vaccine,” nor of the totalitarian tide pushing mandatory experimental vaccination by OSHA, in employment, schools, businesses, prisons, the military and elsewhere, without legal liability on the part of any manufacturer or distributor, and without acknowledgement of religious or medical exemptions;

WHEREAS, the Briones Society adopted a resolution on November 29, 2021 stating that a Covid 19 “vaccination is a civic duty,” therefore implying that those who have decided against it are not performing their civic duty;

WHEREAS, the Briones Society adopted a resolution on November 4, 2021 describing Republican Representative Marjorie Taylor Greene as “toxic”;

WHEREAS, the Briones Society adopted a resolution stating that association with Representative Greene by the SFGOP is “repellent” and urging us not to have her speak at any of our functions;

BE IT RESOLVED that the SFGOP condemns the Briones Society’s intent to influence and change our adherence to the Republican Party platform, values and distinctives.

BE IT RESOLVED that the SFGOP disassociates itself from the Briones Society and denies that the Briones Society is a group of influence within the SFGOP.

BE IT RESOLVED that the SFGOP admonishes the Briones Society that they are not in alignment with the core political principles of the majority of SFGOP delegates, and have no authority within the SFGOP.
